Subject: RE: Letter re Retrieval of Personal Items fr West Fertilizer Site

I have called and spoken to John McCoy regarding the contents of the CD's/DVD's which he is requesting be removed from the site. I advised that I objected to the removal of anything which might identify the source of any of the fertilizer products which were on site at the time of the accident. He said he would get with his client to find out more about what is on the discs. I advised that I thought the discs should at the very least be copied and the originals held by Crane. He said he would get back to me.
